REPLY TO NOTIFICATION OF DEFECTIVE RESPONSE

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the notification of defective response dated July 26, 2006 (copy attached), applicant attaches hereto copies of both the PCT/RO/101 Request and the Form PCT/IB/306 Notification of the Recording of a Change. It is readily apparent from these documents that the inventor's name is Dominik Pallmer, which is the same name as that appearing on the executed Declaration and Power of Attorney filed January 6, 2006 (copy attached, together with postcard acknowledging receipt thereof). It is apparent from the attached documents that the inconsistency in the inventor's first name arose due to a typographical error on the part of the International Bureau, and that the Declaration and Power of Attorney filed January 6, 2006, is proper.

If there are any questions regarding this Reply or the application in general, a telephone call to the undersigned would be appreciated since this should expedite the prosecution of the application for all concerned.

No fees should be necessary to effect proper filing of this Reply. If necessary, however, this paper should be considered as a petition for an extension of time sufficient to effect a timely response. Please charge any deficiency in fees or credit any overpayments to Deposit Account No. 05-1323 (Docket #095309.56550US).

Date: August 1, 2006

Respectfully submitted,
